# pilot productions

Welcome to the 2020 Pilotguides catalogue. We proudly present new inspiring programs such as our historic series "Empire Builders", on the iconic buildings and sites of ten great empires, and our food history series "The Story of..."

And check our travel catalogue including the most recent series of Globe Trekker. Highlights include Rust Belt: American Titans, Ruta 40 Argentina, Antarctica, the Holylands, Building England and Globe Trekker Around the World, available as a box set or five individual DVDs. Other great box sets include our Ultimate Guides, including Ultimate World Guide, Ultimate Middle East, Ultimate Australia and Ultimate Latin America.

Legendary heroes and historic icons are explored in new history series, which include 'The Lost World of Joseph Banks' (with accompanying Study Guide), Ottomans vs Christians - Battle for the Mediterranean and Historic Walks.

Also new in 2020, our 3 x 1 hr series "WW2 Battle of Crete" about the bloody WW2 battle on the famous Greek island

Our PBS special 'Traveling the Seventies' is a fascinating two-part series on how travel has evolved over the last 50 years with a colorful companion CD and compilation of music beats from that era.

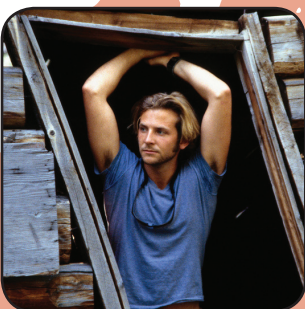

Many of our titles are now also available to download at our store at [www.pilotguidesstore.com](http://www.pilotguidesstore.com).

If you are inspired by our programs check out the music behind them available in 13 CDs. And if you want to discover more, log on to more than 50 Study Guides on our website [www.pilotguides.com](http://www.pilotguides.com)

For wholesale orders call 323-9629342 or email [sales@pilotguides.com](mailto:sales@pilotguides.com).

Travel, Explore, Learn. Welcome and thanks for your interest in our programming.
